● Zone Safety Compliance

● PPE Compliance Rate

● Active Workers On-Site

● Safety Incidents

- Percentage of workers who are fully compliant with PPE requirements (helmets, vests, gloves, etc.).
- Percentage of workers present within designated safety zones (e.g., restricted areas, hazardous zones).
- Percentage of workers who are currently active and logged in on the site.
- Percentage representing the proportion recent safety incidents or reported hazards (e.g., accidents, safety breaches).
